Excerpt: Opening poem

Cat Bath

Ever give your cat a bath?
My, cats love it so!
We gave our kitty one today,
So you see we know.
Got him wrestled in the tub,
Washed him in warm water,
Made him feel so clean and good
As any kitty oughter.
Soaped him up without a scratch,
Just four hands required;
Held him firmly, rinsed him off,
Just what he desired.
Finally done, we toweled him down.
He helped by shaking, too.
So go and bathe your cat today;
He'll love it, we promise you!
