You can lose everything and still be unimaginably blessed.

The Edgeworth Group is proud to introduce you to Shelly Edwards Jorgensen, author of *Beautiful Ashes*. This book will be released to the public on April 6, 2022.

Important conversations are taking place in the world today regarding domestic violence and sexual assault. Having grown up in a household gripped with alcoholism and domestic violence, she became the perfect victim for sexual predators.

Shelly shares her experiences and the peace she's found in life. You'll be transformed by Shelly's riveting memoir about how love, forgiveness, courage, determination – and the guidance of angels – can overcome even the greatest anguish.

Shelly attended Brigham Young University in Provo, Utah where she was the first female to graduate with a degree in Manufacturing Engineering. After graduation, she moved back to her home state of Michigan and landed her dream job as a manufacturing engineer to start off her 20+ year career for Ford Motor Company. A few years into her engineering career, she decided to go back to school to get her MBA.

Shelly has spent over 30 years serving within her church congregation and community. She has always enjoyed serving others.

Shelly enjoys wood working and has amassed a workshop of her dreams. She also enjoys being outside in the fresh air, trail riding in her ATV and enjoying the Great Lakes boating & jet skiing.

Shelly is happily married to her husband Glenn. She is the step-mother of four children, grandmother of two and adored aunt of many!
