

. You will also discover from this book how and why the Rosary is an Easy and Sure road to heaven; and see the 3 Special names which Jesus called His Mother,(one is : "Pure jewel of my heaven"); plus what He said about those who insult or dishonour Her. And you will also see how Pope Francis handled the Eucharistic wonder in which the altar bread turned into fresh human flesh in 1996 when He was the Archbishop of Buenos Aires, Argentina and how New York got involved in this phenomenon.

It will then not be a surprise to you that Chidi Okeke had to send this Author an e-mail from Lagos, stating as follows:

“Your book is the best book I have ever read on the rosary. It has made me appreciate the rosary even more, and I am now motivated to say my rosary more often. Thank you for such a great book” And you will know from the Bible the secret causes of Suffering, and the blessings that it often attracts; as well why nobody really dies after all, since the dead see ,hear, feel and eat.
