A sleepover at Grandma's is always a treat.  
She makes cookies and cakes  
and fun things to eat.

She plays all our games and reads all our books.  
She makes us both laugh  
with funny face looks.

Simon's Search  
for the  
SCARY DRAGON

CHUTES  
and LADDERS

But when the eve comes  
and darkness has followed,  
our eyes open wide,  
our courage is swallowed.

Her house comes alive  
and makes creepy sounds,  
as goblins come out  
and are making their rounds.

It's scary at night,  
things move by themselves.  
Shadows reveal creatures  
who live on the shelves.

Doors move without help  
and speak in strange tones.  
They move back and forth  
as if they have bones.

There are specters about,  
of that we are certain,  
and a furry faced dragon  
who lives in the curtain.
